

V-Dip

V-DIP CONVEYOR

The side loading V-Dip takes up the space of one garment (\pm 2') on the floor...but uses all available overhead space. Ideal for a narrow call office, or where space is at a premium, the V-Dip takes advantage of your store's cubic capacity, while using minimum square footage.

FEATURES

- Direct drive motor with soft start feature.
- Custom designed for the maximum increase in your storage capacity.
- Each configuration can be expanded or altered as your needs change.
- Bi-directional hand switch – standard.
- Automatic keyboard control – optional. Microprocessor control selects shortest route to item location.
- 10 slot stamped steel frame with nylon inserts, 12" pitch.
- Hardened steel universal with heat treated steel insert bushings.

TYPICAL MODULAR SECTION SHAPES

White Conveyors are available in a wide variety of special shapes. You can "design your own conveyor" to fit most any length or shape by using our standard "modular" sections. Here are some typical shapes.

Model & No. of Slots	Length of Hanging Capacity	Overall Length with Garments
V540	54'0"	26'0"
V580	58'0"	28'0"
V600	60'0"	29'0"
V620	62'0"	30'0"
V660	66'0"	32'0"
V700	70'0"	34'0"
V740	74'0"	36'0"
V780	78'0"	38'0"
V800	80'0"	39'0"
V820	82'0"	40'0"
V860	86'0"	42'0"
V900	90'0"	44'0"
V920	92'0"	45'0"
V960	96'0"	47'0"
V1000	100'0"	49'0"

*Based on 12 ft. ceiling. One hand switch furnished.

HEAD ROOM CHART FOR 54" BAG	
Ceiling Height	Length of Hanging Capacity
10'	4' 3 1/2"
10'6"	4' 9 1/2"
11'	5' 3 1/2"
11'6"	5' 9 1/2"
12'	6' 3 1/2"
12'6"	6' 9 1/2"
13'	7' 3 1/2"
13'6"	7' 9 1/2"
14'	8' 3 1/2"
14'6"	8' 9 1/2"
15'	9' 3 1/2"
15'6"	9' 9 1/2"
16'	10' 3 1/2"
16'6"	10' 9 1/2"
17'	11' 3 1/2"
17'6"	11' 9 1/2"
18'	12' 3 1/2"
18'6"	12' 9 1/2"
19'	13' 3 1/2"
19'6"	13' 9 1/2"
20'	14' 3 1/2"
